

“The Reminiscence collection is designed with everyone’s inner child in mind. It is a joyful, colourful and geometric collection, which captures emotions lived through childhood games, making wishes and dreaming of the perfect love.”

Nora De la Quintana,
Founder of NDLQ Millinery

Nora De la Quintana

“Hats are beautiful accessories that compliment an outfit, bring out your personality and make you stand out from the crowd.”

As founder and creative director of NDLQ Millinery, Nora is an award-winning London based designer of exuberant, cheerful and elegant headpieces.

She was born in Lima, Peru, raised in London, trained as a hat maker at the London College of Fashion and specialised in Fashion and Textiles & Millinery at Morley College, London. Nora also holds a BSc in Business from the University of Swansea and a MSc from Imperial College London. She has worked with well-known designers like Piers Atkinson, Ian Bennett and Edwina Ibbotson.

She currently works and offers client consultations at her London studio.
